

MORAN COLLEGE, MORANHAT

FACULTY DEVELOPMENT AND RESEARCH POLICY

1.0 CONTEXT OF FDRP

The Faculty Development and Research Policy (FDRP) of the College aims at improving its academic and intellectual environment. The policy aims to provide faculty members with maximum opportunities to conduct research and also to participate in seminars/conferences/workshops and other professional development programs. The policy ensures maximum participation of faculty members to update their research and teaching skills.

2.0 OBJECTIVES OF FDRP

1. To encourage and facilitate the faculty members to present papers in academic conferences/ seminars.
2. To encourage the faculty members to participate in national and international workshops.
3. To encourage faculty members to pursue M.Phil and Ph.D.
4. To provide opportunity to the faculty members to participate in Orientation Program, Refresher Course, Faculty Development Program and Short-Term Course of their choice for enhancing their teaching and research skills.
5. To encourage and facilitate the faculty members to conduct Minor Research Project, Major Research Project etc. sponsored by UGC, ICSSR, DBT, DST etc.

3.0 SUPERVISORY CELL OF FDRP:

Moran College has a “Research and Publication Cell” which supports and supervises the policy. The cell will consist of the following-

- a). Chairperson: Principal
- b) Member Convener: IQAC Coordinator
- c) Members: Five senior faculty members (At least one from each stream)

4.0 SCOPE OF THE POLICY

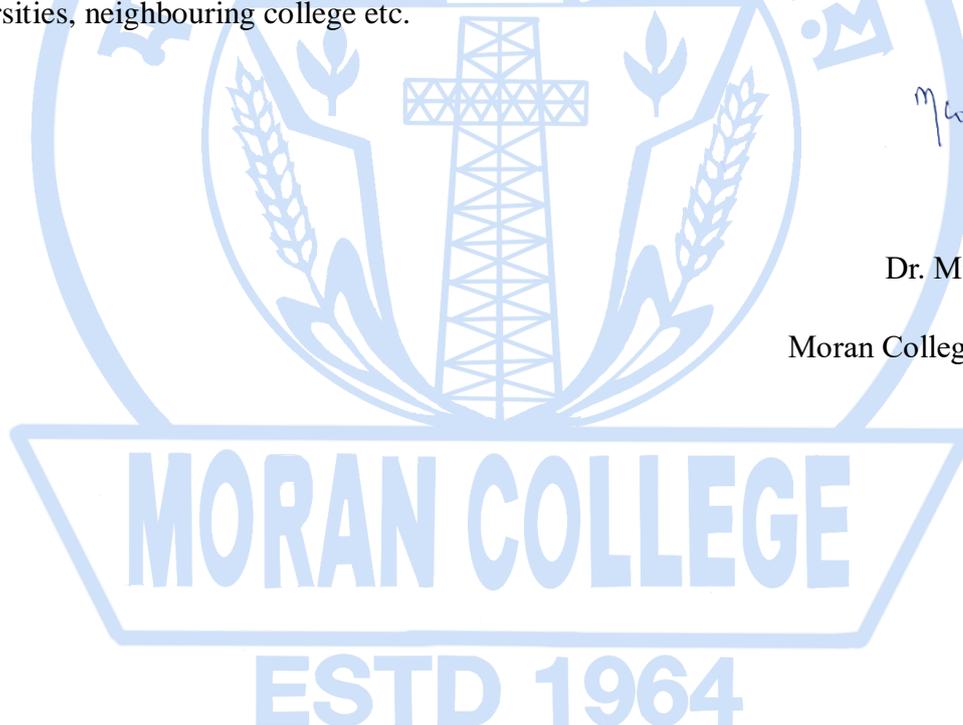

The FDRP of Moran College covers the following areas -

4.01 Conference/seminar/workshops/ FDP: The policy will cover the facilities provided to the faculty members for participating and presentings of papers in academic conferences/seminars for intellectual and research skills development. Moreover, the policy covers areas focusing on professional development of faculty through participating in Orientation Program, Refresher Course, Faculty Development Program, Short Term Courses,

4.02 Financial Assistance: The FDRP will make provision for financial assistance/encouragement to faculty members for conducting workshops and seminars. The policy will cover financial assistance to students for conducting field visits and field study.

4.03 Research Activities: The FDRP will encourage the faculty members of the college to pursue their M.Phil/Ph.D. degree. The policy also facilitates teachers to conduct Minor Research Project, Major Research Project, and other sponsored research projects of the UGC, ICSSR, DBT and DST etc.

4.04 Collaborative Efforts: The FDRP will cover activities and initiatives for undertaking collaborative research work such as organising workshop, seminars in collaboration with Universities, neighbouring college etc.
